SHARE FAITH AND UNSELFISHLY GIVE AND SERVE

Getting Started

Individual

Once a week, share with others a story about where you've seen God's love alive in your own or another's life.

Small Group

At the end of meetings, take turns naming the way the person on your right or left has blessed you.

Congregation

Ask God to show your congregation where and how you can bring good news or be good news to the neighborhood.

Going Deeper

Individual

Make a plan to give a set proportion of your annual income for ministry. Set up online giving to ensure you contribute regularly.

Small Group

Record your testimonies. Using a smartphone to record, share a three-minute story of God's work in your life. Consider stories of conversion, such as baptism, new church membership, or confirmation, as themes. Share the videos on social media.

Congregation

Do a spiritual gifts inventory and invite members to take up or let go of ministries based on their gifts.
